

To Whom It May Concern,

I am pleased to write this letter of recommendation for Jephthe Albreus, whom I have had the opportunity to know through the Miami Dade College MAGIC Animation and Game Art Program.

Jephthe is an ambitious student with a strong interest in animation, storytelling, and character creation. Throughout his time in the program, he has continued developing his skills in areas such as storyboarding, script writing, 3D modeling, character animation, and post-production editing. He has expressed a clear long-term goal of creating his own animated series and pursuing a career in the entertainment industry.

In addition to his academic work, Jephthe has maintained steady employment while attending school and currently holds assistant managerial responsibilities at Burger King. Balancing work and education requires commitment and maturity, and these experiences have helped him develop leadership qualities, accountability, and customer service skills.

Jephthe is someone who wants to succeed and continues working toward improving his creative and professional abilities. He has demonstrated initiative in pursuing opportunities related to his goals and has remained dedicated to building experience in both academic and workplace settings.

I believe Jephthe has the drive and determination to continue growing as he pursues future educational and career opportunities. I appreciate the opportunity to support his next steps and wish him continued success.

Please feel free to contact me if you need any additional information.

Sincerely,

A handwritten signature in black ink that reads "Brenna Verner". The signature is written in a cursive, flowing style.

Brenna Verner
Secretary
Miami Dade College MAGIC Program
